During alterations the location of several departments is being frequently changed, which, of course, is more or less confusing and annoying. For the present, however, this condition is unavoidable. Meanwhile we will regard it as a favor if our patrons will request the floor managers to direct them, and thereby avert unnecessary trouble and delay.

Half the first floor space is now occupied by workmen-hence the necessity for reducing stocks, and splendid values are in evidence in almost every department. We specialize the following in which clearing sales have been arranged:-

Women's Stocks, Ties, Collars & Handkerchiefs, Knit Underwear for Men and Women, Men's and Boys' Negligee Shirts, Gloves, Leather Goods and Jewelry. Dress Goods and Wash Goods,

Black and Fancy Silks, Table Linen, Towels, Bed Spreads, Sheets, etc.

Sleeves have received odd, artistic treatment. Some droop and vanish into pointed cuffs. Welted seams, strapped seams, tabs, belts, braid ornaments, capes, slashing and stitching

Zibelines are the rage. Their hairy surfaces are silkily plain or "Scotched"—unobtrusively plaided. Venetians, Cheviots, Tweeds, Fancy Checks and Overplaids splintered with coarse, lumpy strands of tinted yarns are thick throughout the collection.
